'The Whole Gospel' Baptist Sermon Topic for Sunday

The Narbonne Avenue Baptist Church of Lomita will use the old (Pacific Standard) time for morning services and the new time (Daylight Saving) for the evening services. This prevents confusion as to which way to turn the clock on Sunday morning.

Pastor Robert A. Wells will speak at both the 8:30 and 10:50 (Pacific Standard Time) on the subject "The Whole Gospel." "Too often we want to hear only what we like, the Bible warned. We would 'Heap to ourselves prophets having itching ears.' We are having that day today. No one is willing to accept the responsibility for our failures. It is the fault of the school, church, community leaders and others. The answer is to be found in the whole Gospel," Wells stated. Rev. Floyd Rolf will speak at the 7:30 p.m. (Daylight Saving Time) service. Rev. Rolf earlier served as interim pastor of the local church. The pastor will be in a revival at Santa Paula April 30 through the morning service on May 6.

Bala Krishna Set for Yogi Demonstration
Bala Krishna of Kerala, India, will give a free demonstration of the ancient science of Hatha (physical) Yoga at the Torrance YWCA, 2320 W. Carson St., Torrance, tonight, April 27, at 8 p.m. Krishna will demonstrate posture and breathing exercises. There will be a five day course offered to those interested in learning this interesting and beneficial art. Krishna recently returned from a tour of Europe and Russia, where he gave demonstrations of Yoga. Among those who practice Yoga exercises are Prime Minister Jawaharlal Nehru of India, violinist Yehudi Menuhin, David Ben Gurion, former prime minister of Israel, he said. Yoga is neither a religion nor mysticism, but a discipline in the art of uniting together elements that too often are scattered, Krishna pointed out. The exercises clarify the relationship between the body and soul and stabilize all forms of energy, he said. Krishna will demonstrate exercises for beginners that give flexibility to the body, release nervous tension and relax tired muscles. Mrs. Ruth Clutter, president of the Torrance YWCA, will introduce the program. This program has been recently held at the Recreation department in Ventura and the YMCA in Oxnard.
